**Become a Business
Sponsor of the**

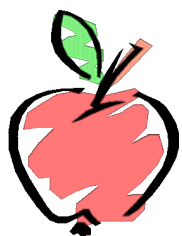

**CANDY APPLE
CLASSIC AQHA SHOW
AND FUTURITIES**

**Attention Business
Owners & Managers:
Reach the customers
you've been missing!!**

The Western New York Quarter Horse Club, Inc. is pleased to offer you a way to get information on your business targeted directly into the hands of many potential customers.

We manage a large Quarter Horse Show on August 8-9, 2009 at the Erie County Fairgrounds, Hamburg, New York. This show draws participants and their families not only from the immediate Western New York area, but also from around the country. It is typical for horse show exhibitors to remain at the show for 3-4 days. The economic impact from these visitors to Western New York is tremendous.

2009 Candy Apple Classic

Businesses

According to the American Quarter Horse Association's Economic Impact Formula, a Quarter Horse show with 200 horses will bring \$210,000 direct dollars to the host city and \$840,000 total economic impact to the area. You can claim some of these dollars for your business by getting your message out through a Candy Apple sponsorship!

We invite you to become a sponsor of our show. You will find complete sponsorship information on this page, with many different participation levels, each with corresponding benefits. Please complete the form on the other side to claim your first choice in sponsored events.
