WESTERN NEW YORK QUARTER HORSE YOUTH CLUB

April 12, 2011

## To Be Thinking About

The Youth Club is considering the following Educational Programs:

1. Horse Bowl is a contest, similar to Jeopardy, which takes place at the Ohio Quarter Horse Congress with a 4 player team (and one alternate), each member must be 14-18 yrs old. This contest is double elimination, with 24-32 questions being asked, some questions will be one on one while others will be a toss-up for all to answer. The entry fee will be \$150 per team.

2. Hippology is a contest that takes place at the Ohio Quarter Horse Congress. It consists of 4 phases: Judging, exam (both writer and verbal), Stations (usually 4), and a Team Problem. The team consists of 3-4 players, each member must be 14-18 yrs old. The entry fee will be \$150 per team.

3. 5 Star Program would require each member who joins to demonstrate to a panel of their peers that they know how to hand a horse or work around one and they would also be asked to identify parts of a horse, tack, diseases, feeds and their use.

Please come to the meeting prepared to talk about these programs.

## Pictures for the Website

We would like to update the Youth page of the website with some more recent photographs. Please email your photos to Virginia Beaton at [vbeatonweyers@gmail.com](mailto:vbeatonweyers@gmail.com).

We would like to get both a group shot of the Youth Club Members and a shot of the Officers the night of the May

meeting so please try to be there. We would hate for anyone to miss out.

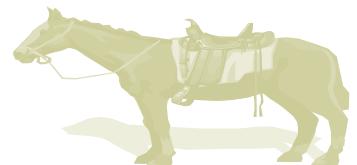

## Hoodies

The Hoodies should be in and will be handed out at the May Meeting.
